

You can’t impress me with material shit. I don’t care about your car, your watch, or your clothes. What impresses me is character. A pure heart. Good intentions. How you treat people when nobody’s watching. That’s what earns respect.

Volume negates luck.

It's all possible bro.

That girl
That lifestyle
The physique
That business

It's all there.

Keep working 🫏

Emotional intelligence isn't about controlling your emotions. It's about not letting your emotions control your decisions. Feel everything. Act on very little. That's the balance.
